

It's About Health... Better Health.

Case Management/Certification

MCM Solutions is your Case Management/Certification provider. When do you contact us?

Contact MCM Solutions **before** receiving any of the below care:

- *Planned Inpatient Admissions to a Hospital;*
- *Planned Inpatient Surgery;*
- *Skilled Nursing and Long-Term Acute Care Admissions;*
- *Durable Medical Equipment;*
- *Home Health;*
- *Outpatient Surgery in a Hospital or Surgical Facility; or*
- *Physical Therapy, Occupational Therapy and Speech Therapy.*

Case Management

MCM Solutions also provides Case Management services to you and your family. Our Specialized Case Management Nurses can assist you and your family with coordination of medical issues related to Transplant Coordination, Oncology, Medical Rehabilitation, Neonatology as well as other complex care coordination for you and your family members.

Please check your Summary Plan Description (SPD) for your specific requirements. If you are uncertain if Case Management/Certification is needed, or if you have already submitted a case and you have questions, please call MCM Solutions (855) 298-0493.
