Dear Member,

January 2019

WELCOME TO OPEN ENROLLMENT FOR THE MOE HEALTH PLAN FOR MUNICIPALITIES!

We are pleased to send you this open enrollment packet for the Midwest Operating Engineers Health Plan for Municipalities. In this packet, you'll find:

- **Open Enrollment Checklist:** This is designed to help you with the open enrollment process. Please use this to organize and prioritize each task, then check off tasks as you complete them.
- **Electronic Disclosure Consent Form:** Please complete and return this form in the enclosed envelope, as soon as possible. By doing so, you will grant permission to the Fund Office to send important information electronically—so you will receive information much faster. Plus, it will generate cost savings for the Welfare Fund.
- **Enrollment Guide:** This includes an overview of how your health coverage works, your health plan options, important updates for the 2019/2020 Plan Year and how to enroll or change your health plan option/coverage tier. Please read this guide carefully to ensure you make the right health plan choice and enroll successfully in the health plan option that best fits your family's needs.
- **Summaries of Benefits and Coverage (SBC):** Please refer to the enclosed booklet, which contains SBCs for the two MOE Health Plan for Municipalities health plan options.

REMINDER: Every year, the Welfare Fund has an open enrollment period for members to enroll for health plan coverage. This year's open enrollment will take place from January 14 through February 28, 2019. We strongly encourage you to enroll by February 28, 2019. If you do not enroll in health coverage by February 28, 2019 for coverage to begin April 1, 2019, you will be enrolled in the Plan A PPO at the appropriate coverage tier on record with the Fund Office for the entire 2019/2020 Plan Year. You need to carefully consider both health plan options to determine what coverage your family really needs.

For assistance in choosing the health plan that best fits your needs: Contact the MOE Health Plan Marketplace Call Center between January 14 and February 28, 2019 to speak with an experienced BlueCross BlueShield of Illinois navigator. Just call the toll-free phone number at **(844) 693-1467** from 8:00 a.m. to 7:00 p.m. CST, Monday through Friday or 8:00 a.m. to 12:00 p.m. CST, Saturday, including holidays. Translators will also be available on request. Alternatively, you can make an appointment to attend one of the open enrollment meetings at select District Offices. **Please see the back of this letter for the open enrollment meeting schedule and instructions on how to register.**

Be a smart health care consumer: review your family's health care needs and weigh the features of both health plan options. Please take advantage of the resources above if you need help at any point. We're always here to support you.

Sincerely,
The Board of Trustees
Midwest Operating Engineers Welfare Fund
Encls.
